Gateway RV Transport agrees to transport a **RV** for **Customer** from **Pickup City** to **Delivery City** for **\$XXX**.

Gateway will be responsible for insurance and exterior damages while in transit. It is the responsibility of the customer to secure all personal belongings and other interior objects. Gateway will not be liable for any damage to the interior of the RV, including but not limited to, fixtures, furnishings, or personal property contained within the RV, during the course of transportation. Any transportation damages incurred by Gateway's assigned driver will need to be reported to and handled by Gateway office staff. Gateway will not be liable for damages that are not reported at the time of or before delivery. Payment will be issued on delivery via check, cash, or credit card over the phone.

A 20% non refundable deposit is required at the time of booking through credit card payment, wire, or Zelle. If the trailer is not safe to transport or is not ready for transportation, Gateway's assigned driver can refuse to transport the trailer.

The trailer needs to be in safe driving condition. This includes, but is not limited to, all lights working, power, slide outs properly secured, awnings properly secured, tires properly inflated, tires with at least 4/32" of tread depth, lug nuts properly torqued, and tires are safe to travel (no dry rot). If the trailer is not safe to travel, Gateway's assigned driver has the option to reject the unit upon initial inspection. If a tire(s) blows out or requires replacement, **Customer** will be responsible for the cost of new tires purchased by Gateway's assigned driver, plus a \$50 fee (per tire).
